Observation Week

February 1—7, 2010

Observation week is the perfect opportunity to watch your kids in action. Come and see what goes on during a typical dance class and see the beginning of their recital dances. Your children really love showing you all that they are learning. We hope you can make it.

Bad Weather and Holiday Cancellations

If Holly Area Schools are cancelled due to inclement weather, **we will have class** unless the weather continues to get bad. A lot of classes get cancelled just because the weather is bad in the morning; however by the afternoon the weather may be fine. You can call the studio if you are unsure. Holidays will generally follow the school schedule. Holly Academy students, please call the dance center for inclement weather closure (or the website). Holiday dates will be posted in advance on the bulletin board.

Payment Information

All tuition payments must be received by the 10th of each month. We also accept Visa/MasterCard. A late fee of \$10 will be applied to your monthly tuition if your payment is received past this deadline. Please give payments to a member of the office staff only! Otherwise, use the drop box. There is a \$20 fee for any returned checks. Should you have any questions, please talk with someone in the front office.

Have you Moved?

Please notify the front office if your address, phone or email address has changed. You can find a change of address form on our website or contact the front office.

Parking Protocol

We are aware that parking situation is not the best. There is not much room and things can get a bit congested when dropping off and picking up your children. Please respect our wishes and those who we share the lot with. Star-

tin board. Just a reminder, we do not close for teacher work or inservice days.

Reporting Absences

Please call the studio if your child is going to be absent for any reason. You will only be able to make up excused absences. This is done by attending another class that is regularly scheduled.

There will be no price adjustments made to monthly tuition for missed classes by the student.

Costume PAYMENTS

Some costumes have already been ordered while the remainder will be ordered in late January. If you've not paid your balance due, please do so in February. We will begin to charge a late fee on the total balance due each month.

With the economy down, we understand the situation, However, please consider our end as well. We are also in the same economy as you and need to pay bills and order costumes on time. We have not increased our fees in years out of respect but we would appreciate if you could pay your tuition, costumes and fees on time. If you are in a pinch, please contact us immediately! Please note that we also take credit! Thank you.

Struck parking is allowed next to the building or along the street. Please do not park along the Joseph's Oak Shop building. Those spaces are reserved for the apartment tenants. Another good spot to park is on Maple Street (by the post office) or in the lot across from the post office, or downtown. Thank you for your cooperation in this matter.

Shoe and tights Order

We will be placing another order for dance shoes and tights at the end of March. Check with the instructors for color and style needed for each class.

If your daughter is in one of the Combo classes, tights will be included with the costumes!

Dropping A Class

Please contact the studio if your child decides to drop a class. It would also be helpful to know the reason why. We can then determine whether or not to save a spot for them. No refunds for costumes will be given if they have already been ordered. Parents are also responsible for any remaining balance that is owed. Any remaining tuition will be refunded only if notice is given prior to the next class.

Visitors in Class

Please respect our request for NO friends/boyfriends/visitors in dance class. We do not have staff available to watch others valuables and monitor the "happenings". We appreciate you respecting our wishes so that we can focus on teaching.

Visa/Mastercard

Don't forget that we accept Visa and Mastercard for payments of tuition, costume fees, and/or recital fees. We can also put you on an auto-pay plan! Ask us how!

You can put your tuition and/or costumes on credit!

Recital Fee and Ticket Information

Recital tickets will be available on a first-come-first-serve basis at the studio from **May 3rd—6th from 6:30—8:30pm**. Recital fee of \$75 per family and all balances, including June tuition, must be paid IN FULL before you can get your complimentary tickets.

A \$10 late fee will be applied to May's tuition payment if you make your payment after the balances you may have. Costumes will not be distributed until all of your frees are paid; even for pictures.

The recital fee means that every family shares in the cost to rent the auditorium, order programs, and any other costs associated with the show. Families will receive four (4) complimentary tickets for each performance.

If more tickets are needed, you can order them by placing your name, phone number, and the number of tickets you need for each performance on a piece of paper, along with cash or money order (sorry, no checks or credit cards), in an envelope marked "Tickets" and give it to our front office staff (or drop box).

Pre-Printed envelopes are also available in the office. **Extra tickets are \$3 each**. Your order must be in by May 20th and will be available to pick up on Monday, May 31st. After this date, tickets will have to be purchased at the door before performances at \$5 each.

We will do our best to accommodate your requests for seating in specific sections.

All tickets are nonrefundable!
